Product Data Sheet

Part of our best-selling Leoni range, the Leoni Steel 2 Column Radiator is held in stock and also available in 3 and 4 column formats. Available in 61 different size configurations this range boasts huge versatility. Supplied with wall brackets with the option of feet means this radiator can either be wall or floor mounted to suit any interior.

Made in Italy, these designer radiators are powder coated in White RAL 9016 as standard but come in a wide range of other finishes. Each section is laser welded to ensure long-lasting durability.
